Message From the President

Dear Fellow NARI of MN member,

What a year 2025 is going to be for our organization! We have a number of items to be excited about in the coming months.

- 4 new board members joining our amazing Board of Directors.
- Year #2 for our Educational Day, which brings free continuing education credits for our Contractor members and the opportunity for our Associate members to sponsor the event and have a table for interaction with our remodeling members.
- The MSP Home Tour continues to grow and we're looking forward to the amazing projects on this year's tour.
- Continued involvement in NARI national where we will be participating in national meetings, conventions, and committees.
- A full slate of firm nights, Gather & Grow events, new member orientations, and social events throughout the year.

As always, utilize the NARI-MN website as your information source on all the exciting events we have scheduled throughout the coming year.

If you would like to volunteer for one of our many committees, please reach out to either Beatrice Owen or myself and we'll work with you to put you on the appropriate committee.

If there are any questions about your membership, benefits, sponsorships, events, etc., just reach out and we'll be happy to assist!

I'm honored to be your NARI of MN President and i'm looking forward to a wonderful year ahead!
